DECLARATION OF INDEPENDENCE, OF "100 MEN"

*"The Zuid-Afrikaansche Boervolk is competent
to handle her own affairs."*

The will of the Boervolk:

This proclamation formally asserts the independence and sovereignty of the *Zuid-Afrikaansche Boervolk* all living men woman and children and the *Boervolk* territorial and cyber space jurisdictions, establishing us as a sovereign nation.

We, the *Zuid-Afrikaansche Boervolk* (unity name for all Boer compatriots in all Boer Republics of Southern Africa hereinafter referred to as the *ZAB*), take these truths for granted. Every living man and woman is created with a sovereign status, peculiar to the Boer people; that we are endowed by our Creator with our own free will.

"The Boer people have been distinguishing themselves from the rest of Africa's inhabitants since 1815 at Slachter's Nek, as this ethnic group that as a people, imploring her salvation, her freedom, and her self-determination from the Creator of heaven and earth alone. No People, however, can survive but her youth is not constantly schooled in the culture, norms and values peculiar to those people."

Our people have exercised inherent Boer sovereignty over the landmass of Southern Africa for hundreds of years, since time immemorial. *ZAB* Sovereignty is permeated by the Spiritual, which is and always has been an inseparable part of our lives, because the Creator of heaven and earth and all that is in them, He guides us in all aspects of our existence.

DECLARACION

We, the authorized representatives, compatriots of the *ZAB*, hereby solemnly declare and proclaim to all nations and peoples around the world as follows:

Introduction

After deception, we as a people are returning to the faith of our ancestors, the culture and language of the Boer people who have already confirmed her selves as Bible believers, according to biblical principles as a criterion, since her inception.

We recognize the inherent and inalienable will of our Creator as the Supreme Law according to which He rules and confirms us in the power of the laws of nature and affirms our historical and rightful ownership of lands and Jurisdiction that include 21+ historical Boer Republics. We declare our status as a free, independent and sovereign people.

We proclaim full authority and governance over our Republics, peoples and affairs, free from any external control or interference.

Statement

The *ZAB* is the rightful owner within international law and has jurisdiction and sovereign authority over the following:

1. Her ancestral and historical territories, the 21+ Boer Republics, under the jurisdiction of the *Zuid-Afrikaansche Boer* Republics (hereinafter referred to as the ZABR);
2. All historical Boer heritage including but not limited to all 126+ Concentration camps, all monuments pertaining to, graves, museums buildings and their contents; domestic and foreign archives and historical books worldwide.

We hereby declare our independence from and reject any interference by any foreign government, financial institution, political party, cooperative institution or church known and/or unknown to the *Boervolk*. We, the ZAB, reject any agreements, loans or claims that any financial institution has made on behalf of the Boer people, now or in the past. We do not recognize any redistribution of Boer- or private land since May 31, 1902. **We reaffirm our full right to self-determination and the exercise of all sovereign powers as agreed and declared in the Treaty of Association (Verdrag van Vereeniging) on May 31, 1902.** This also includes any further known and/or unknown treaties or agreements administering the *Boervolk* 's property without their consent.

We formally establish a state of knowledge among all nations and peoples. The People Council (*Volksraad*), the Executive Council (*Uitvoerende Raad*) and the Peoples Court (*Volkshof*), hereby declare the acceptance of the white flag process. This process serves as a formal emblem of our sovereign status, our peaceful intentions as an independent people and country, and our aspiration to engage in dialogue with the world. It is also intended to facilitate effective communication and peace with all stakeholders involved.

This declaration is supported by the authorized representatives' autographs of the 100 compatriots of the ZAB, representing the collective will and consent of our people to proceed with the process of affirming and exercising our sovereignty. The People independence, freedom and sovereignty is hereby put on record and affirmed and will be exercised accordingly.

Authorization by attaching our autographs below, we empower the People Council (*Volksraad*), the Executive Council (*Uitvoerende Raad*) and the Peoples Court (*Volkshof*) of the ZABR to take all necessary measures to maintain and defend our independence, establish diplomatic relations and govern our compatriots and Republics according to jurisdiction and the *Boervolk* sovereign authority.

Signed this day, *12 Junie 2025*, by the undersigned people of the *Zuid-Afrikaansche Boervolk*.

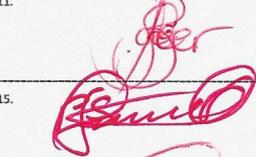

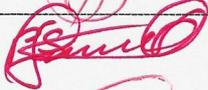

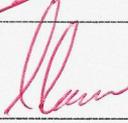

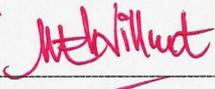

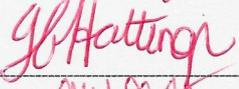

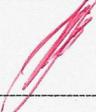

CERTIFICATION OF ADOPTION

We acknowledge that this declaration may not perfectly explain the full and complete extent of our sovereignty. Our sovereignty is not based on the laws defined by man, but on natural laws given to us by our Almighty Creator Himself; moreover, these laws of nature are best expressed in our traditional language and not in the language that brought by foreigners. Notwithstanding these limitations, and without renouncing any additional attributes of sovereignty that may not be expressly described in this document, we make this declaration to inform all who deal with the *Boervolk*, and future generations of our people, of the essential nature of our national sovereignty. We therefore present this declaration with lasting pride in our heritage and with confidence in the future.

Duly signed and adopted, on behalf of the living men, women and children of the ZAB, community district hearings were convened by the elected governing body of the ZAB of The Confederate Boer Republics (including the ZAR and all other Boer Republics) known as the *Zuid-Afrikaansche Boer Republieke*.

Ratified on this 12th day of July 2025.
